### 2nd Annual Birthday Block Party

Each year we celebrate everyone's birthday with a block party including games, presents and cake. This year, the

party started off with a parade. The balloons stole the show and ranged from cowboy boots to a huge margarita. The dogs were even wearing their party hats.

Someone got a new bike this year!

Pulled pork sandwiches for dinner.

A delicious dinner was provided by Papa Don's of BBQ pulled pork sandwiches, baked beans and a green salad with fresh raspberries.

## 4th of July Party

It was a full day of fun and friendship culminating in a beautiful fireworks show. Many started their day with a huckleberry pancake breakfast served on the deck. Family reunions kept some people busy catching up on each other's lives. By the late afternoon everyone was ready for the potluck dinner and celebrating the Nation's birthday together. Our resort guests will have some fond memories of their time in Montana under the Big. It's our most popular weekend, so if you're thinking of coming next year, be sure to book early.

The coolest glasses ever!

Pretty in pink.

You don't even have to leave your coach to see the show.

## Moby's Bistro—Opens!

Polson, newest fine dining restaurant has been open since mid-June and is being discovered by the locals and visitors alike. The reports coming back have been very favorable. It's easy to find right on Highway 93 three blocks east of Main

Street. Word is getting out and they've been very busy so be sure to call for reservations. They are open Wednesday through Sunday starting at 5:30 PM. (406) 883-2929 for reservations.

## Main Street Light Up The Town Celebration

On July 8th, the local merchants got together and formed an action committee to spruce up Main Street. The street was newly paved, new street lights added, the corners had bump outs created with brick

pavers which could be purchased and engraved with names of business and individuals. New trees and flowers were purchased and planted and several new comfortable and attractive metal benches were installed along the sidewalks. Thanks goes to all those who participated.

## Circus Comes to Town!

Also on July 8th, Polson was visited by a country circus complete with animals and high-wire performers. The big red tent could be seen from the Resort. You don't have to go very far from your RV to be entertained around here! —and all within a short walking distance to town or the fair grounds. If you don't like walking, a zippy little golf cart will do the trick.

The Polson Motorcoach & RV Resort sit on a hillside with a breathtaking view of Flathead Lake and the Mission Mountains.
