

Electronic Newsletter

Dear RV'r:

Welcome to our May electronic newsletter!

The rock is almost gone, the water and sewers are in and road construction is well underway! May should see completion of the utilities and substantial completion of the roads; concrete pads and final landscaping soon thereafter. We thought you would enjoy seeing more construction progress photos so here goes:-

The main entrance gets a
makeover on April 14th!

The sun is out in early May and things are really starting to take shape

Curbs are being laid!

LATEST NEWS

Strategically placed billboards are going up this week to advertise to passing Motorhomes that something special is happening in Polson! The sales showroom is outfitted and will open with its new façade in the next two weeks.

We are eager to see phase 1 complete and look forward to welcoming many of you this spring and summer.

Best wishes,

Paul & Carlisa London
