Casey's Corner

Summer is in full swing and as promised, Nori and I have been busy planning and organizing many events for everyone to enjoy, both here at the resort as well as in and around the city of Polson. We have had several great potlucks, game nights, wine tastings, etc. The 4th of July has to be our greatest success, but the fish fry was a close second. The 4th of July celebrations included a chili cook-off and a site decoration contest. The film Independence Day was shown on the deck followed by a huge gathering to roast marshmallows and watch the fireworks in Polson. Valerie Dummer, of site #160, was our big winner of the chili cook-off contest and Phil & Sue Smith, of site #181, took 1st prize with the best decorated lot.

Allan, our workcamper, has caught well over 130 fish since he arrived in April. We have all benefited from Allan's fishing prowess as with his wife, Teresa they have put on a couple of superb southern fish fry feasts for all of us to enjoy.

We are in the process of getting the August calendar of activities underway and can't wait until our next event; you never know when a cherry recipe contest may pop up! The cherry's are starting to ripen in the local orchards so cherry picking here we come!! The best times to harvest cherries are around July 20th to August 15th. I am excited to take my first trip to one of the orchards close to town and pick a few cherries for everyone to enjoy. I look forward to seeing one and all at our upcoming activities and as always appreciate your suggestions on what activities you would like to see in the future. Have a great rest of your summer and remember to stay cool!!!
